

- We meet each other with respect, show consideration for each other and do not tolerate physical or verbal violence.
- Any form of sexism, racism and discrimination have no place at the Youth Climate Conference!
- Respect the boundaries of the persons around you. Each person sets their own boundaries and determines when their boundaries have been violated.
- You cannot look at someone's gender identity - please ask them for their pronoun.
- Please be careful not to photograph other people without their explicit permission. This also applies to sharing and posting on social media.
- Alcohol is not allowed at the Youth Climate Conference at the Ozeaneum Stralsund.
- Night time is from 24 o'clock.
- For emergencies of all kinds, you can reach Christoph around the clock at:  
Tel. 0151/ 12472178

We have an **Awareness Team** that is there for you if you have experienced discriminatory or transgressive behavior. They can also be contacted if you feel uncomfortable and would like support. The contact persons have the reference „Awareness Team" on their name tag.

**Respect the boundaries of the persons around you, because only in this way do we mindful and respectful with each other.**
